OUR SERVICES

We are an Insurance, Investment Intermediary business. Our principal business is to provide advice and arrange transactions on behalf of our clients in relation to life, pensions and investments products. We are members of Brokers Ireland.

We provide advice on a "Limited analysis of the market" basis, which means we provide our services on the basis of a limited number of contracts and product producers that we have an agency with. We advise you, in our professional opinion, from that selection which will best suit your needs and objectives. While not tied to one product producer the services are not provided on the basis of a fair analysis of the market (i.e. all providers and products).

As part of the process when giving our clients advice on Investments we will need to gather information with regards your investment knowledge and experience, if this information is not provided, we will not be in a position to determine whether the product is appropriate for you.

However, if an unavoidable conflict of interest arises, we will advise you of how this is being dealt with in writing before providing you with any service. REMUNERATION

We are remunerated by commission and other payments from product producers on the completion of your business. You may choose to pay in full for our services by means of a fee. Where we receive a recurring commission, this forms part of the remuneration for ongoing advice regarding the business we advise you on and you will be provided with an annual benefit statement/value on your investment business.

We will carry out a periodic assessment of the suitability of your investment only at your request. This assessment is not automatic because some clients do not wish to complete this assessment and we respect their decision.

If we receive commission from a product provider, this will be offset against the fee which we will charge you. Where the commission is greater than the fee due, the commission will become the amount payable to us unless an arrangement to the contrary is made. Additional fees may be payable for complex cases or to reflect value, specialist skills or urgency. We will give you an estimate of this rate in advance of providing you with services and agree to it with you in writing.

If by investing in sustainable investment products there are any differences in charges etc., we will advise you of in advance of you agreeing to go ahead with your investment.
